The screenshot shows the IndiGo mobile app interface. At the top, there's a status bar with icons for battery, signal, and time (1:03 am). Below it, the app header features the IndiGo logo, a home icon, and a clock icon. The main content area has two tabs: "Round Trip" (selected) and "One Way". Below the tabs, there are two large blue buttons for origin and destination: "AMD" (Ahmedabad) and "HYD" (Hyderabad), connected by a right-pointing arrow. Underneath, there are date selectors for "Departing" (02 Fri Oct) and "Returning" (02 Fri Oct). Below the dates, there are three columns for passenger selection: "Adults" (1), "Child" (0), and "Infants" (0), each with up and down arrows. A checkbox for "Family Fare" with a question mark icon is located below the passenger selection. At the bottom of the form is a text input field for "Promotion Code" and a large blue "Search" button. The entire app interface is set against a dark blue background. At the very bottom, there is a black navigation bar with three white icons: a back arrow, a home icon, and a multi-window icon.
